RE: C00545004

Dear FEC:

Enclosed is TeacherPAC's Form 3X, it's first year-end report.

I've chosen to report personal credit card charges for TeacherPAC as personal advances itemized on Schedule D as per the instructions on page 58 of the "Nonconnected Committees" May 2008 Handbook.

In the first TeacherPAC report for period ending June 30, 2013, these advances were itemized in Schedule C, however, the Handbook states to report an advance as a "debt on schedule D" (page 59) rather than as a loan.

Please notify me if I need to amend the first report. If both ways are acceptable, I will leave the reports as is. Please note that the financial figures would remain the same for the first report and I would only be using Schedule D instead of Schedule C if I were to submit an amendment.

Sincerely,

Michele Davison
Treasurer, TeacherPAC
